Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Other
Comments:	Firstly, the as-built northern aspect offers a large, ugly, bland wall when looking seawards along Shopsdam Road - the original permitted design was far more involving. Perhaps Banksy could be invited to liven it up a bit?!? Secondly, the original design included roof mounted solar PV panels as part of the environmental aspect of the build. These do not seem to have been incorporated in the build to date.....
