SCHEDULE

Reasons for Refusal

01. The increased use of the existing access to the public highway would add to the hazards of highway users to an unacceptable degree and interrupt the free flow of traffic, contrary to the policies of the West Sussex Structure Plan (DEV4) and the Adur District Local Plan (AT12).

02. The access is inadequate to serve the proposed development by reason of its inadequate construction, width and visibility and in consequence the proposal would be contrary to the policies of the West Sussex Structure Plan (DEV4) and the Adur District Local Plan (AT12).

03. No Safety Audit was submitted with the application and it has not been demonstrated that safe access can be achieved to the site. Therefore the development does not comply with policy DEV4 of the West Sussex Structure Plan and the West Sussex County Council's Safety Audit Policy.
