SCHEDULE

Reasons for Granting Permission

01. The proposed development would not detract from the local environment and can take place without resulting in unacceptable detriment to the amenities of neighbouring properties. It would consequently not conflict with the policies of the Adur District Local Plan (AG1, AH7) and the West Sussex Structure Plan (DEV1).

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. The building shall not be occupied until the vehicle parking, turning spaces and cycle parking have been constructed in accordance with the approved plan. These spaces shall thereafter be retained for their designated use.

Reason: *To ensure adequate provision for parking clear of the highway and to comply with policy DEV4-5 of the West Sussex Structure Plan.*

03. No construction work shall be carried out on site unless there is available within the site in accordance with details approved by the Local Planning Authority provision for temporary parking and loading/unloading of all Contractors vehicles, and for Contractors buildings, plant, and stacks of materials and such provision shall be retained for these purposes throughout the period of work on the site.

Reason: *In the interests of highway safety and amenity and to comply with policy DEV4-5 of the West Sussex Structure Plan.*

04. No development shall take place unless and until there has been submitted to and approved in writing by the Local Planning Authority a scheme of landscaping. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner, and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.

Reason: *In the interests of visual amenity and the environment and to comply with policy AB26-27 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

PTO

05. The materials and finishes of the external walls and roof of the extension and alterations hereby permitted shall, prior to commencement of use of the extension, be completed to match in colour and texture those of the existing building.

Reason: *In the interests of visual amenity and to comply with policy AH7 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

06. This permission relates to the amended parking layout plan received on 24 June 2008.

Reason: *For the avoidance of doubt and because the application as originally submitted was unacceptable having regard to policy DEV4-5 of the West Sussex Structure Plan.*
