Mr Alan Ryrie

The Adur District Council hereby certify that on 10/05/2007 (reference ADC/0278/07), the matter described in the First Schedule hereto in respect of the land specified in the Second Schedule hereto and edged red on the plan attached to this certificate, would have been lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason:-

01. Provided the detached garage is demolished prior to the commencement of works on the extension the proposal would be allowed under the volume limits of permitted development. It would therefore accord with the Town and Country Planning (General Permitted Development) Order 1995, Schedule 2, Part 1, Class A.

Notes

a) This certificate is issued solely for the purposes of section 192 of the Town and Country Planning Act 1990 (as amended).

b) It certifies that the matter specified in the First Schedule taking place on the land described in the Second Schedule would have been lawful, on the specified date, and thus, would not have been liable to enforcement action under section 172 of the 1990 Act on that date.

c) This certificate applies only to the extent of the matter described in the First Schedule and the land specified in the Second Schedule and identified on the attached plan. Any matter which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
