Reasons for comment:	- Highway Access and Parking
Comments:	I am a Blue Badge holder who needs parking access at all times. Station Road area has parking issues ongoing and is made considerably worse on a Friday due to the Mosque. This extension will increase the number of cars parked in Station Road in order to visit the Mosque. I pay a yearly amount already to the council for a permit and will need to rethink all of my Friday (especially) appointments or loose my ability to park near my property on my return. Ivy Arch tunnel is already highly congested and this will increase considerably for the reasons above.
