

pressure treated featheredge panel

Our popular Forest Featheredge panel now comes in a pressure treated format, removing the need for a gravel board. With hefty 50 x 30mm framing all the way around and two additional horizontal battens across the back plus a 50mm shaped capping strip across the top, this is the king of featheredge fence panels.

HDFE66PTR 183 x 183cm **£52.99**

featheredge contractor panels

This pressure treated featheredge panel is ideal for use with concrete posts on larger contracting projects. Available in either a square or dome top, it is manufactured from FSC certified pressure treated timber, 125 x 22mm featheredge boards, 3 x 75 x 25mm horizontal battens on the reverse.
