Subject: 89 Poulters Lane, Worthing: Replanting for 2 Hawthorn trees (Part of G1 under TPO No. 5, 2010)

Dear Mr Arnott

Thank for you for your email of 24 March 2011 and details, confirming that the Hawthorn trees at 89 Poulters Lane have been replaced by two Holly trees, as previously agreed.

I confirm that the replanting is acceptable under Condition 2 of the consent allowed on appeal on 19 October 2010 under application WB/10/0500/TPO, and is hereby approved.

To help establishment of the holly trees, the adjacent vegetation on the site should be pruned back to give clearance of approximately 30 cm to the trees.

I trust that this is of assistance to your client.

Yours sincerely
