- 1 MAR 2013

Dear Sir/Madam,

We are writing in reply to proposed two storey extention at 36 Ship Street which backs onto our property.

Our property is grade two listed and we feel in this area of conservation that developing properties of this kind ruin the effect of original surrounding properties, so we object to the proposed development.

We would not object to a single storey extension but feel a two storey extension encroaches on the conservation area, loss of privacy and the natural aspects of our surrounds resulting in overdevelopment of the area.

Yours faithfully,

[redacted]

Mrs J.F. Denyer & Mr. G.M. Denyer.
