Address: 30 Hamilton Road Lancing

Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:
- Design
- Privacy Light and Noise

Comments: I strongly object to the above application, as the proposed building is completely out of character with other properties in the vicinity. Also, the size of the building will block late afternoon sun from our garden which is quite close due to our gardens` shallow depth. The size of the first floor living space will certainly impact on our privacy.
