DATE:	24 December 2025
LOCATION:	336 Upper Shoreham Road Shoreham-By-Sea BN43 5QE
SUBJECT:	AWDM/1510/25 Proposed carport.
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	Advice

This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

This application is for a proposed car port. The site is located on Upper Shoreham Road, a C-classified road subject to a speed limit of 30mph.

The proposed plans indicate that the proposed car port will be approximately 6.5 x 3.85m which is considered sufficient to accommodate a single vehicle. The LHA would not raise any highway safety concerns to the proposal.

Conclusion

The LHA does not consider that this proposal would have an unacceptable impact on highway safety or result in 'severe' cumulative impacts on the operation of the highway network, therefore is not contrary to the National Planning Policy Framework (paragraph 116), and that there are no transport grounds to resist the proposal.
