Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	I am concerned for the loss of privacy of my garden and the back rooms of the house. These spaces are used extensively and an overlooking window facing me will be anxiety inducing. The property was specifically chosen for its outlook and privacy at the back, a dormer extension will take these away. It will takeaway my peace of mind by preventing the full enjoyment and use of the garden and back rooms.

Kind regards
