Subject: Bingo Gala Plans - Councillor Luke Houghton Support
To: Planning <planning@adur-worthing.gov.uk>

Hi Louise

I now have support from our local councillor who has agreed to support our objections.

Please can you add this to the documents with his email, I have his permission.
Please include the full thread of the email, please see below.

Thank you

Hi Mellisa,

Yes of course. Happy for you to forward my email. Some very valuable points raised. I think the last thing we need right now in an area like Rowlands Road is more supporting living/social housing.

Kind regards,

Hi Luke

Thank you for taking the time to email me and for your support.

Please can I email the planning lady with your email so to add to the support against this awful planning proposition?

Thank you in advance.

Melissa

Dear Melissa,

Thank you for your email and apologies for the late response - been ever so busy with my full time employment recently.

I'm happy to support this and contribute where I can - looking at the points below, I feel this is adequate enough and there isn't much more I could add. Happy to advocate and completely agree with the points raised.

Kind regards,

Councillor Luke Houghton

RE: Demolition of Buzz Bingo / AWDM/1331/24

I wrote to Dr Beccy Cooper last week who said it would be beneficial for me to include you regarding the distinct possibility of my quality of life being severely affected with the above planning proposition, and any possible assistance you can offer me and my fellow residents.

There is a consultation on the 19th June, so this is why I am emailing you with a view to having your input in the process.

I have below detailed the objections and do hope that you can contribute what you can in addition to Dr Cooper who is also objected and supporting the Worthing Bridge Club.

The thread is lengthy but I would appreciate you time. The planning details are at the bottom of the email.

Kindest regards
