Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The application site comprises an existing single dwellinghouse in lawful residential use (Use Class C3). The property has been occupied and used as a private dwellinghouse and no known enforcement action has been taken in respect of its use. The proposed side extension relates to this existing lawful dwellinghouse and has been designed to comply with the requirements of Schedule 2, Part 1 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). No change of use is proposed.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed development constitutes permitted development under Schedule 2, Part 1, Class A of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). The proposal relates to an existing lawful dwellinghouse and complies with the relevant limitations and conditions prescribed by the Order.

The proposed side extension remains subordinate to the existing dwellinghouse, does not exceed the applicable height restrictions, does not project beyond the principal elevation, and is to be constructed using materials of a similar appearance to those used in the existing dwellinghouse. Accordingly, planning permission is not required and the proposed development is lawful. A Lawful Development Certificate is therefore sought to formally confirm the lawfulness of the proposal.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☒ The agent
☐ The applicant
☐ Other person

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

- ☐ Yes
- ☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☒ Owner
- ☐ Lessee
