TOWN & COUNTRY PLANNING ACT 1990

TOWN & COUNTRY PLANNING (GENERAL DEVELOPMENT PROCEDURE) ORDER 1995

Proposed development
Flat-roofed two-storey east side extension

Location of development to which application relates
81 Old Fort Road Shoreham-by-Sea West Sussex BN43 5HA

Comments : without prejudice

We have concerns regarding a) daylight loss, b) loss of privacy and c) potential damage to our Property.

a) we already have no sunlight in our garden, because of shadow from existing extension at 81, at certain times of the day even in Summer. This would be exacerbated by a new extension along the front garden

b) we feel we would be overlooked more with the new extension windows being closer to our property.

c) concerned about the footings/rafters being disturbed to our property as this extension is proposed to be built on the boundary. The existing extension at 81 was built in the 1920's. (we have tried on several occasions to contact Buildingcontol at Worthing to notify them of our concerns, but they not as promised returned our calls).

Unless you indicate below you will not be allowed to speak at the Committee meeting:-

I wish to speak on the application at the Committee meeting – **YES / ~~NO~~**
