Good Afternoon

I have just received the above notification for the extension at number 34 The Drive.

I live at number 36 which adjoins to number 34, and would like to make the following comments.

So long as the height of the extension remains as shown, and that it is extended onto the west side of the property, ***I do not*** have any objections.

However, had it been boarded onto my property, I would have had to object most strongly.

I hope my comments will be taken as a positive feedback.

Kind Regards

Pam Campbell-Smith
