Dear Mr Hone,

RE: Proposed signboards, St Mary de Haura Churchyard, Shoreham
(Application number: ADC/0110/10)

With reference to the planning consent given for 2 heritage interpretation boards to the west and south of the church, dated 13th May 2010, I am now writing to ask you to confirm by letter (as laid down in condition 06 of the consent document) the verbal approval already given for the style and design of the boards.

Please find enclosed some descriptive documents to assist you including suggested wording and design ideas for the manufacturer's graphic designer to work from and a brochure and diagram which give details of the materials and colour of the boards. They have already been approved by our church architect, Mr Richard Andrews of Carden and Godfrey, 33 Clerkenwell Close, London EC1R 0AU.

We should greatly appreciate a prompt response so that the production of the boards is not delayed any further.

With all good wishes and many thanks,

Yours sincerely,

[redacted]
