Dear Sirs,

RE: 21/23 Southdown Road, Shoreham by Sea

We thank you for granting Planning Consent for the extensions to the above properties.

Unfortunately, owing to a change of circumstances, No. 23 is not able to proceed at this time but they are quite agreeable to the extension of No. 21 carrying on.

The two properties can be started at the same time and, providing there is not a problem on your behalf about the time of finishing, they can finish at the same time. However, we would ask for relaxation with regard to them being constructed in conjunction with one another.

As is noted by Mr and Mrs Losh, they feel that this would not have any significant affect on them whatsoever, but there is a benefit to both in the longer term if the extensions proceed.

We look forward to your consideration of this Matter.

Yours faithfully,

[redacted]
