20th July 2012

Dear Ms Morin,

106 OLD FORT ROAD, SHOREHAM BY SEA
PLANNING APPLICATION AWDM/0662/12

Following our telephone conversation yesterday I would like to submit a 3D perspective sketch of the design proposals as promised.

I also enclose the photograph which the sketch is based on so that you can compare the 'before and after' effect of the design proposals.

We are very pleased with the 3 gables to the front elevation. The middle gable will form a double height atrium space over the hallway. The roof over the garage has been reduced in height because all the roof pitches would be the same shallow pitch.

Although this is only a sketch, we hope that it shows that the proposals would make a very positive contribution to the Old Fort Road.

I am away on leave from today until the 1st August 2012 and would be very pleased to hear your view upon my return.

Yours sincerely,

JAMES BRECKELL
