67, Limbrick lane,
Goring by sea,
BN12 6AE,

Planning officer Louise Prew.
I am writing in support of Guild Care to improve our building to make it more accessible and useful for everyone. A new front extension, a sensory garden, kitchen and art studio upgraded meeting spaces A Mobility scooter store and solar panels on the roof. We are very lucky to have Guild Care we have a choice of different things to do Monday to Friday its nice to meet up with different people so you dont feel lonely at all, part of the Community.

Yours faithfully.
