Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity
Comments:	We regularly use this shop due to its convenience. However for a lot of the elderly local residents it is an essential amenity, without which they would be severley disadvantaged, as it is too far to go into town. The negative effect of the loss of the shop will far outweigh that of one less home, when there is already a large volume of new housing under construction in Shoreham.
