Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	The only objection I have is one of privacy, we have 2 very young children and if the building is getting closer to our boundary at the back we would ask that all rear facing windows are obscured as are the ones on the property next door to this. We just don't want people being able to watch them in the garden or in their bedrooms getting changed. Hope this makes sense. Many thanks Caroline Vaughan-Man
