Flag Status: Flagged

FAO: Gary Peck

Dear Gary,

Providing the fire hydrants indicated on the plan submitted for this site are in place, ready for use and WSFRS are informed they are ready for operational use the hydrant condition raised will be met and the condition discharged. Unfortunately on too many occasions new housing estate properties are occupied before WSFRS are informed fire hydrants are ready for use, which then puts lives and properties at risk in the event of a fire.

Regards

Ian
