Name:	Mr Mark Perring
Email:	
Address:	Little Vines West Street Sompting West Sussex

Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design - Other - Trees and Landscaping
Comments:	Mr Lister has invested and continues to invest in the landscape of Sompting Stables over the past few years with considerable improvements being made. He has improved the visual aesthetics and everything has been done not only to a high standard but he has communicated with affected parties and neighbours at every step. Since taking ownership of the property security and safety has improved and having the family there would in my opinion only be a benefit to this area of the village. I have zero reservations of supporting this application having had the chance for open communication about this low impact change of use of just 4 pitches aswell as coming to know how Mr Lister operates both commercially and in supporting neighboring properties.
