Enquiry No. 3839030

Contractors' Information for Construction of Vehicle Crossover

Name of Householder:	James Copeman
Address:	Toad Hall, 24 Brighton Road, Lancing. BN15 8RH.

- All work is to be carried out in accordance with WSCC Standard detail for Vehicle Crossover to drawing KWS19D and the provisions detailed in the Requirements, Specification and Workmanship for Vehicle Accesses and Footway Crossings VCO/10/10

- The above mentioned standard detail and additional requirements should be attached to this form, but if either is missing, it is the Contractor's responsibility to obtain a copy from the West Sussex County Council's Highways Office

Specific Requirements in addition to standard detail

- ☐ Heavy Vehicle Specification
- ☐ Re-use existing kerbs
- Other:
- ☐ Kerb upstand if not 20mm……
- ☐ Use granite setts in lieu of kerbs
- ☐ Area Manager approval for deviation to permitted criteria

Subject to approved Planning consent. Highways consent is given to construct new VCO of 4.5m minimum to 6.4m max width. Construction as per WSCC specification, finished in HRA. Traffic Management must take into consideration high movement of pedestrian and cyclist traffic during works.

Date Issued: 1st September 2026

Highway Officer:
Lucy Mack

THIS SPECIFICATION EXPIRES AFTER 6 MONTHS FROM THE DATE ISSUED AND MUST BE ATTACHED TO THE CONTRACTOR'S CONSENT APPLICATION
