Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:
- Highway Access and Parking
- Loss of General Amenity
- Privacy Light and Noise

Comments: Firstly is the problem this road already has with limited off road parking. We have two children with special needs, we avoided having a disabled parking bay put outside this property to assist the parking. We instead paid out £10,000 to have a double hard stand put on property. This road has also become a cut through for the A27 and recently the speeds some vehicles are travelling along here it is an accident waiting to happen.
We have 3 junctions leading into this road and there are a number of blind spots where traffic cannot see. Additional cars is not going to help this problem. We already struggle most days to get off our hard stand due cars parking opposite.
There is also the issue where football is played on the field behind the property this also causes a massive congestion of parking.
There is also the access to the downs to the allotments and for the dog walkers.
