**RE: Application No. AWDM/1019/25 – Land West of 51-53 Southview Road,  
Southwick, West Sussex**

I apologise for sending this direct to you – I attempted to send it to the email address shown on your letter but my computer would not recognise the address given!

However, it is really important that the Southview Area Residents Association's Objections are filed hence this email. Could you kindly record on file that I would like to address the Planning Committee when it meets to discuss this application.

By the way, your records show that I had received on behalf of S.A.R.A. notice about the application but I did not receive it.

Regards
