Comments: On behalf of the residents of Shadwell Court we we are notifying you of our concerns with respect of the application made by 91 Grinstead lane (ref:AWDM/0143/19.
Firstly we would like to point out that although the application has made no intention of opening up an access point onto Shawells court we feel that this will be asked for at a later date.
Secondly you must realize that our housing scheme has many elderly and medically ill residents and therefore we feel that the work needed would be over a long period of time, causing our residents much stress and anxiety.
The road which backs onto 91 Grinstead Lane is a vital thorough way for residents,visitors, GPs and quite frequently ambulances and other medical personnel therefore it needs to be a clear drive way at all times, apart from bays already marked out for residents and their visitors.
We would like to point out that the current plans mention the road concerned with as Shadwells Close it is in fact Shadwells Court
