Dear Sir/Madam

Ref: AWDM/1368/17
NO

Thank you for your letter rec'd earlier in the month re: the above application.

After I had telephoned & spoken with one of your colleagues who was able to describe some of the plans (only concern was if there side extension had any trouble WINDOWS facing towards my Garden/Kitchen window) & I was told there will be NO WINDOWS in the side wall facing my back garden/property. I have never had any problems before as I face No 1 Gravelly Cresents Side Wall.

Also had no objection to this application as long as the back ALLEY WAY is clear at all times for access to my back gate →

garden which I use daily to come & go from.

Thank you for your letter.

Yours faithfully

(Miss) MARY J. LYONS
