WORTHING SOCIETY CONSULTATION RESPONSE
AWDM/0602/23 | FLAT 2, 80 RICHMOND ROAD, WORTHING, WEST SUSSEX BN11 4AQ
Replace existing timber window in west elevation with white Rehau PVCu door with fixed top–light

Thank you for requesting our comments on the above-mentioned application which relates to a characterful building, circa late 19th century.

I have now had the opportunity to discuss the application with our Heritage Team. We note that the replacement window is of good quality and replicates the original design so there will be no change to the overall appearance of the building.

I am therefore pleased to advise you that we have no objection to this application.

Yours sincerely,
