It can take place without resulting in unacceptable detriment to the amenities of neighbouring properties and without detraction from highway safety. It would consequently not conflict with the relevant policies of the Adur District Local Plan (AG1, AH2) and the West Sussex Structure Plan 2001-16 (LOC1, NE1-2, CH1, ERA1, DEV1, DEV4-5).

Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. No development shall take place until details of walls and/or fences have been submitted to and approved in writing by the Local Planning Authority and the buildings shall not be occupied until such walls and/or fences have been erected.

Reason: *In the interests of amenity and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

03. The dwellings shall not be occupied until the parking spaces and access facilities shown on the amended plans 0747-202B and 203C (received on 23 October 2007) have been provided in accordance with construction details to be submitted to and approved in writing by the Local Planning Authority. The areas of land so provided shall not thereafter be used for any purpose other than access and parking of vehicles incidental to the use of the proposed dwellings.

Reason: *To ensure adequate provision for parking clear of the highway and to comply with policy AH2 of the Adur District Local Plan and DEV4-5 of the West Sussex Structure Plan.*

PTO

04. No use of the vehicular access shall take place until a satisfactory kerb and pavement crossing between the boundary of the site and the adjoining carriageway has been constructed. The requisite specification can be obtained from the Area Highway Engineer, WSCC Southern Area Office, Clapham Common, Clapham, Worthing, West Sussex BN13 3UR. There shall be no drainage of surface water from the property onto the highway.

Reason: *In the interests of highway safety and to comply with policy DEV4 of the West Sussex Structure Plan.*

05. The building hereby permitted shall not be occupied until the existing access to the site (other than hereby approved) has been stopped up permanently and obliterated in accordance with details to be submitted to and approved in writing by the Local Planning Authority.

Reason: *In the interests of highway safety and to comply with policy DEV4 of the West Sussex Structure Plan.*

06. No construction work shall be carried out on site unless there is available within the site in accordance with details approved by the Local Planning Authority provision for temporary parking and loading/unloading of all Contractors vehicles, and for Contractors buildings, plant, and stacks of materials and such provision shall be retained for these purposes throughout the period of work on the site.

Reason: *In the interests of highway safety and amenity and to comply with policy DEV4-5 of the West Sussex Structure Plan.*

07. No work shall be carried out on the site unless and until an effective vehicle wheel-cleaning facility has been installed in accordance with details approved by the Local Planning Authority and such facility shall be retained in working order and operated at all times that the premises are in use to ensure that vehicles do not leave the site carrying earth, mud or other material on their wheels in a quantity which causes a nuisance or hazard on the road system in the locality.

PTO

08. Any plants which within a period of five years from the time of planting die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species unless the Local Planning Authority gives written consent to any variation.

Reason: *In the interests of visual amenity and the environment and to comply with policy AB26-27 of the Adur District Local Plan and B2 of the West Sussex Structure Plan.*

09. No development shall be carried out unless and until a schedule of materials and finishes to be used for the external walls and roofs of the proposed buildings has been submitted to and approved in writing by the Local Planning Authority.
