Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	When the work is carried out, can you advise if access to our public slope will be affected? If it is, please may we be given advance warning as we will need to find an alternative accessible route into the building for customers. This will also be the case if the East side walkway between the library and museum is

obstructed as we will need to inform our own contractors. Many thanks, Lyndsey Nichols (Library Manager).

Kind regards
