Comments:	Dear Sirs, I am Chair of Lancing Regeneration Community Group. The vision document produced by BDP for the regeneration of Lancing , majors on taking advantage and encouraging water sports in our village. Lancing Sailing Club has been in Lancing in excess of 50 years. It holds International Competions and has a Olympic instructor.The road is a major access problem made almost impossible by the one house so far under construction. To allow the conversion of a garage into living accomodation with parking, will greatly hinder the running of this club infact it could cause its decline. Frances Smith Chair Lancing Regeneration Community Group.
