Dear Mr Peck

I wish to strongly object to the following application for a 40 foot container (for commercial purposes) to be placed on this land for the following reasons :

- It will spoil the character of the green land site (protected by the Worthing plan) for both the locals and visitors
- The land is a protected wildlife site
- It is likely to encourage vandalism and graffiti on the container
- There is no need for public toilets there as there are already adequate ones less than 200 yards away.
- There is no need for another catering business on this site when both Bluebird and Sea Lane Cafes as well as other mobile suppliers cater adequately for the locals and visitors

This a blatant attempt to get the land designated as commercial brown field land and then claim later on that it is no longer being used as commercial land and apply to build houses on it.

This along with previous attempts to gain planning must be refused

Thank you

Kind regards

Andy Crabb. 108 Sea lane, Ferring, BN12 5HB
