Gary Peck

I am writing regarding proposed building works with the above reference number at 19 Boundary Road, Lancing, West Sussex, BN15 8NE.

I would like to oppose the planning application due to the reduction of light and the overbearing wall that will be built closer to my property (21 Boundary Road) and viewed from my kitchen.

My opposition is regarding the upper level proposals which will be what affects me.

Please acknowledge receipt of this email.

Kind regards
Angela Main

(Have kindly asked my daughter to send this mail for me as I do not use email)
