Comments:
Although on an industrial estate this location is still near residential properties and with proposed opening until 11pm, 7 days a week,go karts will create unacceptable levels of noise until very late including Sundays and bank holidays.Living near an industrial estate as I do noise is expected during normal working hours into the early evening but rarely this late and at weekends and bank holidays.i think that as at the Brookland art track which we hear at time the hours are moderated considerably.

thank you
