Good morning Peter. I note that the above amended Planning Application for Seaside Primary School will now be going to Committee. My objections on behalf of the neighbouring residents remains the same. The amended plans are not much different and is still too large to be so near to neighbouring properties.
The Sports Hall should be placed next to the main school buildings on Freshbrook Road, as in option A on the original planning application. Councillor Andy McGregor will be representing the residents at the Committee meeting.
Kind regards, Ann Bridges
