Subject: Worthing United football club house

To: planning@adur-worthing.gov.uk <planning@adur-worthing.gov.uk>

Hi

I wanted to drop a note in support of the club house works at Hill Barn. I see everyone there on a Saturday and Sunday working so hard for the community and for the children and young people involved. An opportunity for the children to have an activity away from screens and I understand some players have progressed to play for Brighton!

The addition of things like the coffee shop will help visitors playing away matches and the dog walkers and families in the park.

I do hope all is improved so that more children can benefit.

Kind regards

Tierney Stockwell
