Address: 21 Chatham Road, Worthing, West Sussex BN11 2SP

Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment: - Highway Access and Parking

Comments: We are objecting to this application due to the current situation of the parking as it is already over populated on our street as most of the current residents have more than one vehicle to park on the street. Another 4 flats could mean another 8 vehicles if 2 people are living in each flat and would make it impossible for parking which is already a problem on the street especially in the evening and on the weekend, and this is due to too many flat conversions being approved on the street.
