Hi Peter

Sorry I can't find the original email, I didn't mean to leave you waiting.

I can confirm the applicant would like to use RAL 7016 (darker grey) I'm not sure why the image is so light, it was taken from the manufacturers website.

I hope this clears it up.

Many thanks.

Dear Alex

I have a query about the colour of the proposed roofing material. The submitted information states that it will be a grey roof panel (RAL7016). However, the submitted image shows a rather light grey roof panel.

RAL 7016 is anthracite grey and looks like this:

I would prefer the roof to have a darker finish and would like to receive clarification about the colour proposed.

I look forward to hearing from you.

Regards
