Site: 206 Brighton Road, Lancing, West Sussex BN15 8LJ

Development: Vehicular access

Dear Ms Barker

Thank you for your consultation of 25/09/2020 regarding the above planning application.

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the Strategic Road Network (SRN). The SRN is a critical national asset and as such Highways England works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity. Highways England will be concerned with proposals that have the potential to impact on the safe and efficient operation of the SRN.

The A259 through Adur and Worthing does not form part of the SRN and so we have no comments on the proposed vehicular access. I note that West Sussex County Council, as the highway authority for this stretch of the A259, have provided their comments.

Kind regards,

Elizabeth Cleaver, Assistant Spatial Planning Manager
