Hi Marie,
I must apologise for being late in registering SBRA's Planning Sub-Committees objection to planning approval being granted for the above application.

We object on the grounds that this would provide a president for detached residential annex's on the river frontage.
We find that it would be impossible to manage any planning conditions made, as it could be let out/rented to visitors associated with the owners.
We also feel that there is no reason why an attached annex could not be designed in lieu.

Best Regards
