PLANNING SERVICES

Dear Sir,

I received this planning application proposal today 21/9/16.

Ref: As above.

I would like to make a couple of comments about this proposal, as I too am a home owner in this property, Freshbrook Court.

These flats are sold as a safe and secure environment for the elderly/retired population.

However, I don't think replacing a window with an outside door enhances this criteria. All the

outside fire and entrance doors are alarmed and secured. This would not be!

This flat, No.6, is very open to the car park and the back of the derelict luxor cinema. There have been problems recently with vandals, drunks and in the past druggies around the luxor and the open areas around here.

I am concerned about the safety element should another door be in place.

Thanking you for your attention.

I am yours sincerely
