Subject: RE: AWDM/0751/26 - WSI condition

To: Louise Prew <louise.prew@adur-worthing.gov.uk>

Hi Louise,

I've reviewed the WSI, it suitably outlines a programme of archaeological work and archiving requirements, as a result I can recommend the discharge of Condition 4(1).

Condition 4(2) should not be discharged until the applicant has submitted an approved report detailing the results of the archaeological work.

Any questions just let me know.

Kind regards,

Mark
