SCHEDULE

Reasons for Granting Permission

01. The site is identified as a key redevelopment opportunity in the Shoreham Renaissance Vision and Shoreham Harbour Regeneration strategy and the use of the building as a roller skating rink is only acceptable as a short-term interim use pending redevelopment. While the use has resulted in occasional disturbance to nearby residents, it is considered that with conditions in place to control hours of operation and noise, in conjunction with a Management Plan, it is considered appropriate to grant a further short-term temporary permission which would retain planning control and thereby not conflict materially with the relevant policies of the Adur District Local Plan (AG1, AR7).

Conditions

01. The use hereby permitted shall be discontinued permanently and the land and premises restored to their former condition, or to a condition to be agreed in writing by the Local Planning Authority, on or before the expiration of the period ending on 31 December 2012.

    Reason: *Having regard to saved policies AG1 and AH7 of the Adur District Local Plan and to enable the Local Planning Authority to review the special circumstances under which this permission is granted.*

02. The premises shall be used only for the purposes of a roller skating rink (including roller disco, roller hockey, roller derby and other non-motorised equipment such as skateboards, scooters and bicycles) and for no other purpose within Use Class D2 of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (or in any provision equivalent to that class in any Statutory Instrument revoking and re-enacting that Order with or without modification).

    Reason: *In the interests of amenity having regard to saved policy AG1 of the Adur District Local Plan.*

03. Noise from any music at the site shall not at any time exceed 55dB LAeq (F) 1 hour as measured 1.5m from the Southern façade of the building in accordance with the approved noise report from Acoustic Associates Sussex Ltd dated 2 February 2012.

    Reason: *To safeguard the amenities of the occupiers of neighbouring properties having regard to saved policy AG1 of the Adur District Local Plan.*

04. The premises shall not be open for trade or business (including skating, the playing of music or any other activity) other than between the hours of 9am and 10pm on any day.

    Reason: *To safeguard the amenities of the occupiers of neighbouring properties having regard to saved policy AG1 of the Adur District Local Plan.*

PTO

05. Within 1 month of the date of this permission a Management Plan shall be submitted to the local planning authority for approval in writing setting out good practice policies for the operation of the roller rink. The approved Management Plan shall be immediately implemented and the measures therein carried out in full throughout the period that the roller rink is in use.

Reason: *In the interests of amenity having regard to saved policy AG1 of the Adur District Local Plan.*

06. This permission relates to the following approved plans received 29 May 2012:-

Location Plan, Floor Plan

Reason: *For the avoidance of doubt and in the interests of proper planning.*
