Comments

Submission Type:
Customer objects to the Planning Application.

Comments:
I believe this is a renewed application following a recent refusal for 24 hour opening.

While the hours are modified from that earlier application, my reasons for objecting are the same.

The late opening until midnight every day and 1.30 a.m. on Fridays and Saturdays will give rise to people collecting in the area and the resulting noise and disturbance in the residential area at a time when the streets of Shoreham should be quiet.

There will probably also be additional rubbish from the food cartons/bags that will be dropped along the streets once the food has been eaten.
