Comments Details

Commenter Type: Neighbour

Stance: Customer made comments in support of the Planning Application

Reasons for comment:
- Design
- Other

Comments: My neighbours have built a little structure to the rear of the property. It is much nicer than what was before and looks very tidy. The lady (Denise) is disabled and I understand that having this structure is of great benefit to her. If you would like to contract me regards anything further please do so S Antioniou.
