Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design - Other
Comments:	The wooden shed at the bottom of Mr Frosts garden is so very useful to his wife as she has been unwell for some time and has mobility issues. The shed was built for her use and she does use it and is happy to have it. It has been nicely built looks tidy and doesnt affect any of the neighbours in a negative way. I support the planning application and should further information be needed please contact me.
