Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:
- Highway Access and Parking
- Loss of General Amenity
- Other
- Privacy Light and Noise

Comments: The operation of a commercial laundry on this site is totally inappropriate, does not attract skilled employment. As a neighbour access is permanently restricted to our premises. is untidy with equipment and rubbish blowing about every time there is a strong wind, creates considerable noise and is a hazard to aircraft operations producing potential for foreign object ingestion by aircraft. There is also insufficient parking for their many vehicles.
