Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	We wish to object to the proposed planning application to develop 15 Hill Farm Way. Our issues relate to the rear dorma as this will overlook both our lounge and our main bedroom. When we purchased our property one of the main features was that it was private and secluded being in a lane with just two houses and not overlooked. The proposed extensions will be very close to our property and take away any privacy, it will be like living in a gold fish bowel.

Kind regards
