Dear Sir / Madam,

Re: St. Mary's Church Hall, East Street, Shoreham, West Sussex BN43 5ZD

ADC/0023/09 & ADC 0024/09

The deadline for appeal comments regarding the above was 24th March. Unfortunately for the Shoreham Society, in late February we lost the two committee members upon whom we relied the most for planning matters. Then I was incapacitated for more than two weeks from 9th March with a virus and secondary infection so I was not only unaware of the appeal, but was in no fit state to carry out the work needed for the Society to submit our further thoughts on the application. Most Shoreham people were unaware of the appeal, in fact, as nothing appeared in our local newspaper until last week.

Like other community organisations, the Shoreham Society depends entirely upon its voluntary workers, so when health or family difficulties cause members to drop out, we cannot employ replacements.

I am therefore enclosing our late submission in the hope that knowledge of these extenuating circumstances might allow you to take note of our comments.

We would also wish to be present at the informal hearing on 8th June and wonder if this is ruled out by our late submission.

Yours truly,

[redacted]

Tony Vinicombe, Hon. Secretary
